#### **ELECTION COMMISSION OF INDIA**

Nirvachan Sadan, Ashoka Road, New Delhi-110001

No. 76/2016/SDR

Dated: 30th April, 2016

Tο

The Presidents/General Secretaries of All recognized and registered unrecognized Political Parties

Subject: -Election expenses of candidates and political parties- travel expenses on visits to foreign countries for purposes of canvassing -regarding.

Sir

I am directed to say that as per section 20A of the Representation of the People Act, 1951 inserted by the Representation of People (Amendment) Act, 2010, Indian citizens absenting from their place of ordinary residence in India owing to their employment, education or otherwise outside India (whether temporarily or not) are entitled to have their names registered in the electoral rolls in the constituencies in which their place of residence in India as mentioned in their passports is located. The Indian citizens so registered as electors in India (called under the Registration of Electors Rules 1960 as 'overseas electors') are entitled to vote in their respective native constituencies in India if they happen to be present in their native places on the day of poll in the constituency in which they are registered as such overseas electors. Pursuant to the above provisions of law, a large number of Indian citizens living abroad have got their names enrolled in the electoral rolls in different parts of the country for the purposes of elections to the House of People and State Legislative Assemblies.

- 2. It has been brought to the notice of the Commission that in connection with the current round of general elections to the Legislative Assemblies of Kerala, Puducherry, Tamil Nadu & West Bengal and several bye-elections being currently held in some of the States, some candidates are travelling from India to overseas countries for the purposes of canvassing in their favour to seek votes of the overseas electors residing in those countries. In this context, the Commission would like to clarify that though seeking votes of oversees electors by going abroad by the candidates or their agents or party leaders is not prohibited under the law, all expenditure incurred by those candidates, their agents or party leaders on their travel, boarding, lodging etc., in those countries would be deemed to be the expenditure incurred or authorized by the candidates in connection with their election. Thus, all such expenditure would come within the meaning of section 77(1) of the Representation of the People Act, 1951 and will have to be included by the candidates concerned in their accounts of election expenses which are subject to the limits prescribed by Rule 90 of the Conduct of Elections Rules 1961.
- 3. The Commission would, however, like to further clarify that any inducement to overseas electors by way of Air tickets or any other allurements to them, in cash or kind, to come to India for the purpose of voting at the aforesaid elections would amount to the electoral offence of 'bribery'
